For a 32 year old single father looking for life insurance protection against an outstanding mortgage debt of $250,000, his month
premium of $38.48* is both competitive and guaranteed not to increase for 30 years. Thirty years is a long time and that?s why B
Insurance offers a unique flexibility at renewal. When he turns 62, he will have the opportunity to extend his coverage for life at a
guaranteed level premium to age 100.

Why **Preferred Term 30**?

- Competitive entry-age level premiums, guaranteed not to increase for 30 years

  Plus, our plan automatically renews at year 30 into permanent protection for life, with premiums payable to age 100, givin
  client a unique opportunity to help manage their estate planning or take advantage of an insured annuity plan.

- Conversion to any eligible permanent plan without further evidence of insurability at any time before age 70 at the then curre
  & attained age at the time of conversion.
- Preferred rates available for coverage as low as $100,000.

* Monthly premium of $38.48 is based on MNS 32, $250,000, standard class. For Preferred Plus, his monthly premium would be $30.83.

** This promotion is scheduled to end September 30, 2015. This is a temporary increase in the first year commission rate on new sales for Preferred Term 30. Not avai
Preferred Term 10 and Preferred Term 20. There are no changes to renewal and service commissions. We reserve the right to either withdraw or extend this promotion a
with one week?s notice. Advisors should recommend only products that are suitable for their clients and provide the most current information based on software illustra
Wave v31.0).
