Submitted by Victoria on February 11, 2020 - 2:58pm

Gain exposure to lower volatility investments outside Canada and the US.

This fund has been designed for investors seeking:

- Exposure to diversified international equities
- Diversification by currency and region
- Growth while minimizing volatility
- Professionally managed investment by BMO Global Asset Management

Why BMO GIF?

Unlike traditional investments, BMO GIFs provide a deposit guarantee, helping to protect your client's original investment. BMO GIFs can also lock-in market gains and bypass the costly probate process* upon death while offering creditor protection**.
