Glitch found in FUSION version 15.2.0 (Feb 6th 2014 release)

Please be advised that a glitch has been found in the 15.2.0 version of Fusion released on February 6th 2014.

- Fusion gives an error message and closes when Independent Living is illustrated **with spousal reduction and the option to increase the amount of LTC benefit.**

While this is fixed, the illustrations/quotes should be asked by e-mail to: In-force_illustrations@dfs.ca.

We apologize for the inconvenience.

Contact Merchandising Technology for assistance, if needed.
