

Coming soon to BankLink

Submitted by Josh on July 28, 2014 - 11:15am

A better way to make subsequent deposits!

Coming soon to BankLink: A better way to make subsequent deposits!

We've listened to your requests ? and we're giving you a new way to make deposits into existing Advantage Accounts using funds transfers and local area banking deposits with BankLink! Stay tuned in August to hear more about the great changes that are coming your way and how they make banking with us faster and easier than ever.

Sign up for training today

Register for a live webinar training session that will focus on how to use this new feature to quickly submit subsequent deposits using either funds transfer or local area banking deposits. Sessions are available:

- August 12, 1 to 2 p.m. ET ? [Register for this session](#)
- August 13, 1 to 2 p.m. ET ? [Register for this session](#)

More webinar details

If you can't make it, we'll host another on [September 10](#), or you can watch a recording of our August sessions shortly after they run on Repsource under Administration > Banking > Training corner.
