A Manulife Bank Rate...exclusively for Advisors

Receive an additional 0.25% in interest rate for your own Advantage Account*, PLUS your trailing commission.

On one (1) Manulife Bank Advantage Account (Personal or Business) advisors can receive either:

1.70% (1.45 + 0.25) + trailer (Personal) or 1.50% (1.25** + 0.25) + trailers (Business)**

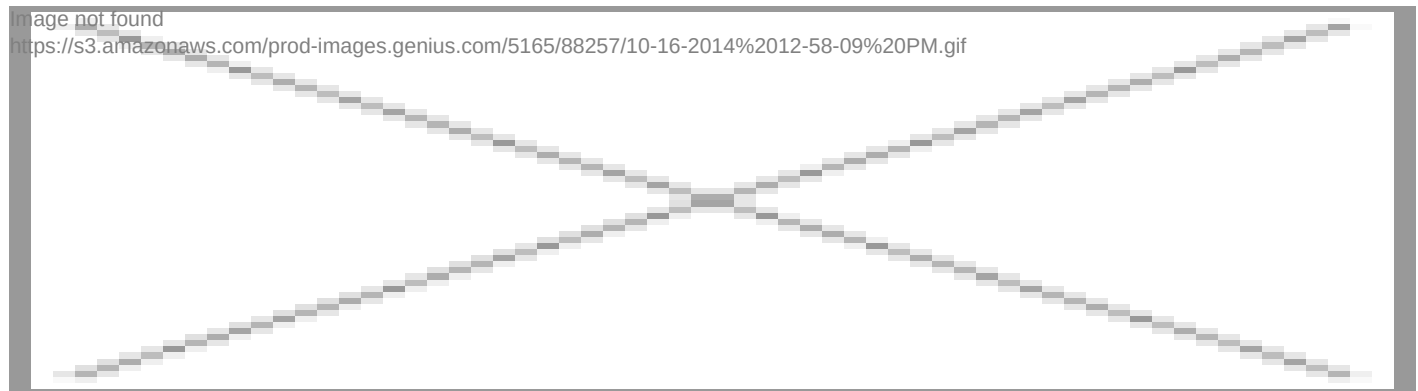

As an advisor you also have the option to waive all or part of your trailer in exchange for a further enhanced rate (exchange rate is 1:1).

So therefore, you could receive an all in rate for yourself of:

1.95% Personal or 1.75% Business

-Above are current as of Oct 16, 2014

To open these accounts it is recommended to do so online after logging into Repsource and going to BankLink.

*To receive the 0.25% advisor enhancement the account has to be Personal or Business only

**As of 16 October 2014. All our rates are subject to change. Variable annual interest rate is applied to all funds in account (no tiers, no minimum). Interest is calculated daily on total closing balance and paid monthly.
