SunWise Essential Series 2 continues to offer two classes with different guarantees, allowing you and your clients to customize a solution that effectively meets their individual needs for investing, retirement and estate planning:

Effective immediately, all clients who purchase a new SunWise Essential Series 2 contract must be provided with the new SunWise Essential 2 Information Folder and Individual Variable Annuity Contract and Fund Facts dated January 2015. Please destroy all SunWise Essential Series 2 point of sale disclosure documents dated October 2013.

To assist with the transition, the current October 2013 applications will be accepted to establish new contracts until March 6, 2015. After this date, only the January 2015 application will be accepted.

Copies of these new documents can be ordered online as of January 14, 2015 at www.ci.com/orderform, through AdvisorOnline, or at www.sunwiseessentialseries.com.

If you require any additional information regarding the above, please contact CI Dealer Relations at 1-800-563-5181, extension 8886 or dealer_relations@ci.com.

Thank you for your continued support.

Sincerely,
