

Health & Dental Guaranteed Issue Enhanced Plan

Guaranteed health coverage — no questions asked.

No needles, no nurses, no questions — just great coverage. Guaranteed.

As long as you're a resident of Canada, over the age of 18 and covered by a government healthcare plan, your acceptance is guaranteed at time of application.

In Canada, we're fortunate to have government healthcare that covers doctors' visits, in-hospital procedures and so on. But there's a lot that's not covered — like prescription drugs, eyeglasses, dental care and more. Those expenses can take up a big chunk of your family budget, especially when they're unexpected.

Help protect your savings and your health, with guaranteed-issue health insurance from one of Canada's most trusted providers. Manulife's Health & Dental Guaranteed Issue Enhanced plan offers a wide range of coverage, with a high drug limit and coverage for Lifestyle* drugs. And you don't have to answer any medical questions when you apply — even if you have a pre-existing condition.

Your comprehensive coverage includes**:

- Prescription drugs – 80% to a plan maximum of \$2,500 per year, including \$500 per year for Lifestyle* drugs
